MEMORANDUM FOR 78 FSS/FSMPD

FROM: (Member's squadron/office symbol)

SUBJECT: Base of Preference (BOP) Application - AFSC

1. Please consider me for a BOP assignment to one of the bases listed below. The bases listed below were not my last assignment. If it was my last assignment, I was not assigned there under any BOP provision. Use CONUS bases only when indicating preference. Do not use regions or states as preferences

2. \_\_\_\_\_ 6. \_\_\_\_\_
3. \_\_\_\_\_ 7. \_\_\_\_\_
4. \_\_\_\_\_ 8. \_\_\_\_\_

2. (For Airmen married to another military member) I have been counseled on BOP and joint spouse assignment criteria. I understand if I request a BOP, I will first be considered for assignment to my spouse's location unless joint spouse assignment is not desired (intent code H). If I receive an approved PCS BOP, then joint spouse to the BOP location for my spouse is not authorized. If I proceed on a PCS BOP I understand I am responsible for the family separation created. I understand we may each request a BOP in our own right to the same location if we are both eligible. I understand approval of a PCS/in-pace BOP does not result in deferment for my spouse.

3. (For FTA retraining under QRP). I understand I will have my BOP application considered in preference order and my spouse will be considered for a joint-spouse assignment unless joint-spouse assignment is not desired (intent code H). However, I understand that manning at the requested locations must support both me and my spouse in order for the assignment to be approved.
